**President's Message**

Goodbye to the Australians and hello to the New Zealanders!  
 It's been a very busy month and a half as we approach the second exchange.

The word from the Australian group was that the exchange was wonderful. Some even said it was the best they had ever been on. A wonderful compliment to Susan Schafer and her group and the whole club. It truly takes all of the members working together to achieve a very successful week. I think we enjoyed the folks from Sydney as much as they enjoyed us and our beautiful location. Congratulations to everyone.

Our members returning from the continuation to Montreal said they all had a wonderful time there. "A taste of Europe close to home" was one

comment. It really did work out well with our 3 couples joining the Sydney folks to make an exchange group large enough to travel to Canada. Wally Zust had an excellent idea last winter when he was doing his utmost to make the exchanges happen. It's an idea that we will have to keep in mind if a similar situation arises in the future.

This month, on the 22nd, 19 ambassadors from New Zealand arrive here. They are currently on the first exchange in Iowa. From there they travel to Memphis for a second exchange, followed by a weekend in Nashville before arriving here. All the planning has been completed and now we need to execute! The agenda in brief form is printed elsewhere in the newsletter. The important functions for all club members are the Welcome and the Farewell Dinners. See the agenda for dates and times. As was the case last month, the Welcome Dinner is a great opportunity for all members to meet and greet our visitors. It will be held at Sacred Heart Founder's Hall where we meet monthly. Paula Chambers is planning a typical southern meal of fried chicken! Then on the following Sunday, at the Sacred Heart camp, we will have the Farewell Party. Beginning in early afternoon we will enjoy an afternoon of fun on the lake as well as at the camp. Brenda Dixon is cooking up a Low Country Boil Charleston style for the dinner. Please come out and celebrate with all of us. Cost for members and guests is \$10 per person at each dinner. Cost includes beer and wine as well as refreshments thru the afternoon at the camp.

It was brought up at the last meeting that these events provide an excellent opportunity for guests to sample the Friendship Force experience. As always guests are welcome and encouraged during exchanges. So, if you have family or friends who would like to join us feel free to bring them along. Only request is to contact the ED in advance so enough supplies are on hand. Since I am the ED , please contact me at the number or email address listed below.

On Wednesday , June 24th , the Ambassadors will travel to Ashville to spend the day at the Biltmore Estate. There is plenty of room on the bus for many more! If you would like to go along , and again guests are welcome, tickets at the discounted group rate are \$38 per person plus a \$5 gratuity and dinner contribution for our driver. Again I need to know in advance. Lunch and dinner are at traveler's expense. Call me if you want to be included.

**Looking forward to seeing everyone at the Welcome dinner  
Monday, June 22.**

### **REPORT:.....Southern Sydney and Montreal Exchanges**

The Southern Sydney Exchange was a huge success. The Aussies had such a good time that the Southern Sydney club extended an invitation to us to visit them and the Perth club members will be talking with their club about an invitation too.

No successful exchange just happens. It requires the backing of the club members. I want to thank all those who volunteered to lead or help on the many activities that were planned. Below are those that lent a helping hand. I apologize for anyone that I've left off the list.

#### **Exchange Committee Members:**

The Montreal Exchange was also a wonderful time. It was a great cultural experience – museums, walking, French food, open air markets, cathedrals, wine, rivers, the Olympic park, wineries, Canada Space Agency, more food, underground Montreal, more wine, the Botanical Garden, more walking, ... Sort of like going to France without the cost or the long flight. We made some great friends and are already devising ways for them to visit us. I wish more people from our club could have gone.

The Farewell Dinner in Montreal was truly great. It had one big advantage that we didn't at ours – lots of music. I think that we will miss Bill Buziak every time we have a get together like that. I want to make a plea now for everyone in the club to actively look for a talented, fun loving person that can help us bridge any language barrier with music. The bells are good but for a truly lively encounter we need some music. Getting people singing, dancing, or just tapping their feet gives a wonderful feeling of camaraderie. Please help us find someone!

I also want take this chance to say a special thank you to the man who made these exchanges possible – Wally Zust. Without his inspiration to have our club partner with the Aussies on the trip to Montreal, neither the exchange from Southern Sydney nor the one to Montreal would have occurred. We will dearly miss both Bill and Wally.

**VP NOTES**

First of all, Jim and I want to thank all of you again for the support with thoughts and prayers, cards, and calls during Jim's surgery and recuperation. We are so happy to say he is now well on his way back to normal activity. The doctor gave him a good report this week and he will be starting his cardio rehab in another week or so. In the meantime, we hope he will be able to attend some of the NZ exchange activities and our July FF meeting.

Regarding future exchanges/conference:

- (1) We are still working toward having a domestic exchange - 3 or 4 nights - with a club in the US this Fall.
- (2) In 2010, on our first outbound exchange, we expect to travel to Indonesia around the end of April (dates not confirmed). There we will take part in an Indonesian Festival on the island of Bali and hosting in the city of Solo, located in central part of the island of Java. We hope, too, to see some of the Jakarta teachers who were hosted by our club last year.
- (3) In the Fall of 2010, we have been invited to visit the Napa, California club. (Napa planned to visit our club in early summer of 2010 but we have just received notice they will not be coming.)
- (4)The 2010 FF International Conference will be held in the Fall in Washington, DC.

Please keep these in mind and we'll be furnishing more information as soon as received!  
See you in July,

**Bobbie Jones**

**WAYS AND MEANS**

Darrel Panner won \$34 in the 50/50 raffle and we netted \$35 for the Ways and Means treasury. Thanks to all that participated. See you next month.

### Exchanges:

The New Zealand exchange is this month, Monday June 22<sup>nd</sup> through June 29<sup>th</sup>. Barbara and Skip Walters are the EDs.

The following exchanges are being considered:

1. Outgoing exchange to Indonesia mid April 2010.
2. Incoming exchange from Napa Valley in June 2010.
3. Outgoing exchange to Napa Valley in the fall of 2010
4. Outgoing exchange to Sydney and Perth in the fall of 2010
- 5.

Susan Schafer, the Australian Exchange ED, told us the Australians enjoyed their visit with us so much that they would like us to come to Sydney and Perth and would be working on the dates. Susan thanked everyone for all their help in making the exchange a success. She said an exchange works well when everyone pitches in.

Susan Schafer talked about the exchange to Montreal. She said it was like being in France. They all had a wonderful time. Our Australian ambassadors were so excited about their stay in Lake Hartwell, that they convinced the Montreal Friendship Force to try for an exchange to Lake Hartwell also.

Susan reminded us how much we all enjoyed the music of Bill Buziak and how much we miss him. She also offered a special thanks to Wally Zust for making the Australian exchange a reality. His suggestion that some members of our club join the Australian group in Montreal, in order to make up the twenty members needed for the exchange, is what made it all happen. Merilee Brister offered a special thanks to Susan and Bill for their work in making the exchange such a success.

Susan Schafer is working on an Exchange Manual for us.

For the New Zealand Exchange, the following help is needed:

1. Host and Hostesses for Guess Who's coming to Dinner – contact Kay Cleveland
2. Day Hosts
3. Accommodations for one gentleman

This fall, September 23<sup>rd</sup> through October 8<sup>th</sup>, there is an opportunity to join an exchange to the Ukraine and Eastern Poland – see Bobbie Jones if you are interested.

Jack Dixon announced that the golf outing is June 18<sup>th</sup> at Saluda Valley at 11:00 - cost is \$22. Dinner after golf is at Maddy's in downtown Anderson.
